1 [BEGIN AUDIO RECORDING]

2 MS. QAYUMI: Hi, Detective Dyson. This
3 is Ariana Qayumi.

4 MR. DYSON: Hey, Ariana. How are you?

5 MS. QAYUMI: I'm doing well. How are
6 you?

7 MR. DYSON: Oh, not too bad. Not too
8 bad.

9 MS. QAYUMI: That's good to hear.

10 MR. DYSON: Yeah. So what have you been
11 up to for the past few months?

12 MS. QAYUMI: Well, actually, I took this
13 semester off. And I've been in Arizona going through
14 EMDR therapy --

15 MR. DYSON: Okay.

16 MS. QAYUMI: -- and staying with my
17 parents.

18 MR. DYSON: Okay.

19 MS. QAYUMI: But, yes, so I wanted to
20 call because I wanted to file an official police report
21 for [inaudible] what happened last year.

22 MR. DYSON: Okay.

23 MS. QAYUMI: But I also wanted to know
24 kind of what else has happened in that time because I
25 kind of just stopped talking to you guys --

1 MR. DYSON: Yeah.

2 MS. QAYUMI: -- about some things
3 because I couldn't really deal with it at that time. So,
4 yeah.

5 MR. DYSON: So not much has happened on
6 our end because it's all victim-driven. We're not going
7 to do much without you saying, Hey, I want something
8 done.

9 MS. QAYUMI: Okay.

10 MR. DYSON: It just -- it's not going to
11 -- one, from a logistical sense, if it's not going to go
12 anywhere because you don't want it to go anywhere, there
13 is not much of a reason for us to do much because you're
14 going to end up having to be the person testifying and
15 doing all that, and, plus, again, you're the one in
16 control of this as we take a trip, you know, down this
17 process.

18 And so as we told you last time, it's up
19 to you if you want to file a report. It's up to you if
20 you want prosecution. This is all -- it's all in your
21 control. So in terms of --

22 MS. QAYUMI: Okay.

23 MR. DYSON: -- what's happened since we
24 last met, not much.

25 MS. QAYUMI: Okay. Well, I guess I'm

1 also wondering -- so once I file the police report, like,
2 I want the University to know and try to take action, but
3 I'm not necessarily sure if I want to go through the
4 whole way of doing prosecution. I would just want, like,
5 measures of I guess safeguard me, that kind of thing --

6 MR. DYSON: Okay. So --

7 MS. QAYUMI: -- is that possible? I
8 want it on record that that happened, I guess.

9 MR. DYSON: That it happened. So you
10 want to file a report saying this happened to me, but
11 you're not sure that you actually want criminal
12 prosecution. Is that what I'm hearing?

13 MS. QAYUMI: Yes.

14 MR. DYSON: Okay. Would you -- are you
15 interested --

16 MS. QAYUMI: Because I hadn't -- I
17 hadn't had, like, a pelvic exam right after it happened,
18 so I didn't know. But I just recently had one, and there
19 was a lot of, like, damage done. They said that it's
20 going to heal fine --

21 MR. DYSON: Uh-huh.

22 MS. QAYUMI: -- and I'll be okay. But
23 I hadn't had it in time enough that it would actually be
24 evidence for the case. And I already --

25 MR. DYSON: And when was it that you had

1 this exam?

2 MS. QAYUMI: About, like, a week ago.

3 MR. DYSON: Oh, okay.

4 MS. QAYUMI: Yeah, just recently.

5 Anyway, so I guess I kind of also just
6 wanted to go over what -- I guess, like, kind of why I
7 wasn't able to talk about stuff before, and then the
8 reason why I wanted to know what else has happened is
9 because I received the email from Lieutenant Zotzenberger
10 -- or Zotzenberg [phonetic] saying that you guys were
11 going to file a student conduct thing for, like, Title IX
12 or something like that against the boys --

13 MR. DYSON: Okay.

14 MS. QAYUMI: -- for the -- for the video
15 thing.

16 MR. DYSON: Okay.

17 MS. QAYUMI: So I was just wondering,
18 Did that go anywhere, or was that just like you filed it
19 and then nothing happened?

20 MR. DYSON: You know, I -- I don't know
21 because once it reaches the Office of Student Conduct,
22 they don't tell us the outcome of anything that happens.
23 So --

24 MS. QAYUMI: Oh, okay.

25 MR. DYSON: -- you know, because there

1 is privacy rules in place.

2 MS. QAYUMI: Okay.

3 MR. DYSON: So things that happen in the
4 Office of Student Conduct don't get passed back to me, so
5 you'd have to probably contact Dean Bryan himself and see
6 if anything was done there.

7 MS. QAYUMI: Okay. I know that they did
8 -- they did contact me asking me if I wanted to talk
9 about what happened to me because someone had filed that
10 I had been, like, attacked or something like that. So
11 they had contacted me at the beginning of last year.

12 But I just -- I wasn't able to contact
13 them yet, and then, like, I guess emotionally I wasn't
14 ready to, but after going through my therapy, like,
15 now --

16 MR. DYSON: You're feeling better?

17 MS. QAYUMI: Well, it's not even just
18 feeling better. I had a -- so when I spoke with you,
19 like, at that time I had PTSD. It was misdiagnosed with
20 ADHD first. And then I told them what had happened. And
21 they were, like, Oh, my God, like, I'm so sorry;
22 actually, like, we mis-diagnosed you; you definitely have
23 PTSD. I -- you know, I didn't know what that was, that
24 kind of stuff.

25 And then after we spoke in June, I

1 believe it was, of last year, that caused kind of I
2 guess, like, an earthquake in my head, and I started
3 having nightmares again. I started remembering things
4 that had happened a little bit, like, flashbacks. And
5 things that other people had said on campus started to
6 kind of bother me. Like, I had heard previously, like,
7 that I had been given drugs, that -- like, you know, that
8 it had been like a hazing type of a thing, like, they had
9 been told to do it by their frat, you know, different
10 things like that.

11 So I just, like, tried to block it out.
12 I was seeing a psychiatrist, and she told me it would be
13 healthy to just, you know, compartmentalize it, and then
14 deal with it after I could get through my classes.
15 Because I started doing really badly in my classes after
16 it happened. And it happened in March of 2011.

17 And so then I started -- like, the only
18 way I could focus on my studies was, like, by not talking
19 about it, like, at all. But if anything came up about
20 it, I would just be, like, completely flustered and, like
21 -- you know, and not be able to sleep because I would
22 start remembering things randomly.

23 So I kind of went through therapy of
24 just like not talking about it, like, just trying to stay
25 focused on school really [inaudible] with all my

1 thoughts.

2 And then I talked with my dean about
3 what had happened, and I talked with --

4 MR. DYSON: Is that Dean Taylor?

5 MS. QAYUMI: Yes, Dean Taylor. And then
6 I also talked with someone named Amy Powell [phonetic].
7 And -- the head of the Women's Center. I just-- I forgot
8 her name. But I spent most of my time at the Women's
9 Center, and I was just surrounding myself with girls
10 because that was the only place I would feel safe. But,
11 yeah, like, I mean it was really hard for me last
12 semester because I didn't feel safe on campus. So yeah.

13 Then that's when, like, talking to Dean
14 Taylor and Amy Powell and I guess just like with my
15 family -- because I hadn't told my family either at
16 first. I only told my brother after we talked in June.
17 That was the first time I had talked about it.

18 MR. DYSON: Okay.

19 MS. QAYUMI: And I told my mom whenever
20 -- end of June -- and then I finally told my dad in
21 December, and that was when they were really supportive,
22 and they said, you know, you need to, like, take off,
23 come home, need to deal with this. And, like, then I --
24 they were talking to an attorney, and we were trying to
25 see, like, what -- he said that the first thing I had to

1 do was make the police report, but that I should be like
2 in an emotionally stable place and understand everything
3 that had happened.

4 But at the time, like, I was still
5 having PTSD, so I couldn't -- I couldn't understand
6 everything that happened. Like, I would have bits and
7 pieces where now I've, like, gone through almost
8 everything in EMDR and I remember -- do you know what
9 EMDR is?

10 MR. DYSON: No, I don't. I was just
11 about to ask you that.

12 MS. QAYUMI: Oh, okay. So it's -- it's
13 a therapy they give to people that have post-traumatic
14 stress disorder. And the kind that I have is where I
15 block it out completely, and, like, I can't remember
16 anything that happened.

17 But when certain things -- when I see
18 certain things that remind me of, like, I guess that
19 night or the incense, or I smell things or like -- I mean
20 it's just -- it's really random. It doesn't even always
21 -- it's always the same. I'll remember flashbacks, and
22 it's like I haven't processed it in my brain, so I get,
23 like, really emotional about it. I can't focus. And I'm
24 just like really unstable when -- when it happens, like,
25 when the flashback happens. But other than that, I'm

1 fine, whatever.

2 And so EMDR, what that does is, like,
3 you have these different types of sensors that they put
4 on you, and, like, you talk through things, slash, like,
5 they try to, like, prod you about different things that
6 could be related. And it elicits all of those memories
7 because you're having -- like, all of your five senses
8 are stimulated at the same time.

9 MR. DYSON: Okay.

10 MS. QAYUMI: And then you're, like, able
11 to remember things that are -- without, like, actually
12 experiencing the trauma, and you're able to process it.
13 And then the next time you talk about it, it's easier to
14 talk about it, and you don't get as emotional. You're,
15 like, stable, uh-huh.

16 MR. DYSON: Interesting.

17 MS. QAYUMI: So yeah. Yeah. It's been
18 really helpful, and since then, I've been able to talk
19 about it.

20 MR. DYSON: Excellent. So you're
21 feeling better and -- yeah.

22 MS. QAYUMI: Yeah. And I have an
23 understanding of almost everything that happened. Some
24 things are still a little foggy, but, like, that's kind
25 of why I don't want to take it officially to, like, the

1 criminal court because I don't know everything that
2 happened. Some of it was, like, hearsay from other
3 people. And I don't know if I would have someone that
4 would be willing to testify during school because it's
5 kind of stressful for them too because, like, the frat
6 that was involved was Di Sig [phonetic], and I think it's
7 called like K-A, or something.

8 MR. DYSON: How did KA get involved?

9 MS. QAYUMI: I don't know. Some of the
10 -- there were two boys that were involved that I've heard
11 are in KA, and, like, there was also one -- a boy from --
12 there are two from Di Sig.

13 MR. DYSON: Okay. So why don't you
14 start by telling me what you remember from that night.

15 MS. QAYUMI: Okay. So what I remember
16 was that I was in my dorm. I was sitting and watching a
17 basketball game. It was a UNC night, versus UNC -- and I
18 wasn't planning to go out, and I was just, like, in my
19 pajamas, whatever.

20 A lot of other people were planning to
21 go out because if, like, Duke won, there would be a big
22 thing at Duke and if UNC won, there would be a big thing
23 at UNC on Franklin. And so people started drinking, but
24 I wasn't drinking. I did, however I had, like, a glass
25 of milk or cocoa -- I think it might have been cocoa

1 because recently I was having cocoa, and I had this
2 flashback when I was drinking it. So I think it might
3 have been actually been cocoa. But I remember it was a
4 substance. It was not alcoholic. And I was also eating
5 food.

6 MR. DYSON: Okay.

7 MS. QAYUMI: I got up to leave, go to
8 the bathroom. I think I actually I also went up to my
9 dorm, though, to go to the bathroom. I didn't go to use
10 the one down the hall. I went up to my dorm, so I was
11 gone for probably, like, 10 minutes.

12 And I came back and just, you know,
13 continued doing my stuff. And then that's when things
14 had gotten funky, slash, whatever. I don't -- didn't
15 really remember the first time. But going through EMDR,
16 I remember kind of what happened. I remember going off
17 campus. I remember I was with some boys. I don't
18 remember if I changed out of pajamas or if I just left
19 them on. I remember having intercourse with at least,
20 like, two or three of them, but I remember it not --
21 like, I don't remember, like, what happened, really,
22 like, why it was happening. I remember, like, there was
23 a fight involved between, like, two boys and the boys
24 that were with me, like, they were saying, like, Leave
25 her alone, blah, blah, blah.

1 And then I remember coming back to
2 campus and my dorm, and that's when, like, a different
3 side happened. And I don't -- I don't remember why I
4 wasn't fighting a lot, or maybe I was. I don't remember.
5 But I came back to my dorm in Southgate, I believe. It
6 was either in Southgate or Randolph -- like, my dorm was
7 Randolph, but I remember going back -- but I had moved to
8 Southgate, so I remember going back to Southgate. And I
9 remember, like, people, like, grabbing me, but that's
10 all.

11 MR. DYSON: Okay.

12 MS. QAYUMI: And then I just remember
13 like waking up in my room and being like really
14 distraught. I had, like, blood, like, on my pants. I
15 felt really sore. I had, like, bruises along my neck.
16 What else? I mean, I hurt in my pelvis. That's really,
17 like, all I can say. And no one was there because it was
18 then Spring Break. My roommate had just left. I think
19 I, like, actually woke up, like, a day later. I didn't
20 wake up the exact next day. But so that's what, like, I
21 remember happening in a nutshell.

22 So then it's, like, I had heard other
23 things from other people, what they told me happened. So
24 what I heard from other people was that kids were
25 rushing, and it was, like, their final rush thing, that

1 they had been told they were, like -- like, the thing
2 they could do that would be, like, the best thing would
3 be, like, roofing [phonetic] someone, like, giving them a
4 drug called Rohypnol [phonetic]. And it was supposed to
5 be, like, an innocent girl.

6 So they told me that they thought it was
7 funny. And, like, so a girl, a boy, and his friend told
8 me they had gone to, like, a Di Sig meeting, and that
9 some boys were talking about what they had done to a girl
10 who lived in Southgate. They didn't say her name, but
11 they described someone like me. And they were just
12 laughing about it, and they thought it was funny. And my
13 friends didn't think it was funny. And they came and
14 told me.

15 And that was when I was, like, Oh, my
16 God, because what I thought had happened was I thought I
17 just drank. I was, like, Okay. Maybe I did finally give
18 into peer pressure, like, Oh, my God. I just -- I can't
19 deal with this, that kind of thing.

20 But so according to other people,
21 possibly that didn't happen. And I was kind of, like, I
22 just couldn't deal with it because I'm, like, Okay. If
23 that did happen, then I'm going to have [inaudible] trust
24 issues with, like, Duke, like, what the -- you know, I
25 can't believe that would have happened.

1 And yeah. So then I also heard, slash,
2 I didn't see, but, like, my roommate saw that there were
3 apparently photos on, like, Facebook, like, bragging
4 about, like, what they did. They said that they, like,
5 had Eiffel Tower, like, an innocent girl, and she had no
6 idea.

7 MR. DYSON: And she saw -- and your
8 roommate saw messages or photos?

9 MS. QAYUMI: She saw photos, but, like,
10 they had, like, a caption, and people were, like,
11 commenting on it. And they had, like, four guys in it.
12 And I'm trying to think what else I should say.

13 Then people in my dorm filed, like, a
14 report. I didn't know this, but, like, an RA or the
15 people that had fought with the boys when I came home to
16 Southgate. They told the RAs of my dorm that they
17 thought those boys were raping me.

18 And the RAs filed a report to Sheila
19 Broderick [phonetic], which I didn't know, but that's
20 what happened. And then she contacted me, and I just,
21 like, didn't want to talk about it. I just said, like,
22 I'm -- what did I talk -- I don't even remember what I
23 talked about -- I just said, like, I'm seeing someone off
24 campus. Thank you. And that was all.

25 And I just -- I started seeking help off

1 campus because, like, I just -- I blocked it out
2 completely, and then I was having trouble focusing so I
3 was, like, I'm going to deal with someone or talk to
4 someone and deal with it on my own, that kind of thing.
5 I didn't want to face that it might have actually
6 happened, kind of like, I didn't want this [inaudible]
7 happening or have had happened. So yeah, that's --
8 that's in a nutshell of things.

9 And the boys -- the boys that were
10 involved -- is that important or no?

11 MR. DYSON: Oh, yes.

12 MS. QAYUMI: Yeah?

13 MR. DYSON: Yeah.

14 MS. QAYUMI: Okay. So this is another
15 reason why I was a little reluctant. I had an Econ
16 professor that I was, like, absolutely in love with. Her
17 name is Lauren Leechman [phonetic]. And one of her boys
18 was involved.

19 MR. DYSON: Was?

20 MS. QAYUMI: It was Colby Leechman
21 [phonetic].

22 MR. DYSON: Okay.

23 MS. QAYUMI: And I really liked her, and
24 I didn't want to talk about it because I didn't want her
25 to have, like, a stigma on her name from her son.

1 MR. DYSON: Uh-huh.

2 MS. QAYUMI: And that's my major, and I
3 thought it would maybe, like, affect me -- all those
4 things. Yeah. So he was involved. There was someone
5 named Brian Self [phonetic], Frank Jones [phonetic].
6 Those are the only ones I know for sure.

7 MR. DYSON: And how did you know these
8 names?

9 MS. QAYUMI: Because they were the ones
10 that were tagged in the photos and, like, Brian came and
11 apologized and said he didn't know, like, that I had been
12 drugged or that I didn't know what was going on.

13 And also because they were the ones that
14 came -- when -- I think you and Lieutenant Zotzenberg --
15 when you guys went to their room in May, they were the
16 ones that came and were, like, Ariana, please don't --
17 like, please don't try and send me -- I don't want to go
18 to jail for 25 years; like, we're so sorry; like, how are
19 you doing, whatever. They brought me flowers. Just like
20 ridiculous stuff like that.

21 And there were a few other boys
22 involved, but I don't know if they were actually involved
23 with the rape part of it or if they just didn't want
24 their frat getting a bad name. So I'm not going --

25 MR. DYSON: How were these other guys

1 involved? What did they do?

2 MS. QAYUMI: They -- they were with them
3 when they came -- they were like, Please don't, like,
4 tell on our frat. This is, like, a hazing thing, and,
5 like, yeah, we don't want to get Di Sig kicked off of
6 Duke campus. It was a stupid mistake --

7 MR. DYSON: So did they --

8 MS. QAYUMI: -- like --

9 MR. DYSON: -- do all this in person?

10 MS. QAYUMI: Yeah.

11 MR. DYSON: Okay. So there is nothing
12 written down? Nobody left you any notes?

13 MS. QAYUMI: I -- oh, well, yeah. There
14 were some notes on my door. I had, like, three notes on
15 my door and two under my door. I had two under my door
16 in April, and then in May when this stuff happened, I had
17 some left on my door. And that was after everyone had
18 moved out mainly, so I think that's probably why they
19 left it out in the open. It didn't really matter if
20 anyone saw it.

21 Yeah. The two that were under the door
22 the first time, one was from Brian saying, like, Hey,
23 like -- like, we need to talk; like, I'm really sorry; I
24 don't know -- I don't know what happened, but I heard
25 some things, and I need to talk to you. It's pretty

1 serious.

2 MR. DYSON: Okay.

3 MS. QAYUMI: And that was all. So,
4 yeah. And I don't -- I don't think -- I don't have any
5 emails from them. I might have messages, like, text
6 messages, but I blocked them all on Facebook because I
7 just --

8 MR. DYSON: Do you still have the notes
9 that they left?

10 MS. QAYUMI: Not that I know of, no.

11 MR. DYSON: Okay. And you don't have
12 any past emails or anything?

13 MS. QAYUMI: No. I definitely don't
14 have emails. I would never correspond with them on
15 email.

16 MR. DYSON: Okay. And who was your
17 roommate at the time?

18 MS. QAYUMI: Her name was Rachel James
19 [phonetic].

20 MR. DYSON: Rachel James. Is it okay if
21 I talk to her? If I want to see this photo that was on
22 Facebook --

23 MS. QAYUMI: Yeah. Maybe I should, like
24 -- I haven't told her -- like, I haven't talked to anyone
25 really about this at Duke. Like, so the last time she

1 probably talked about this was last year. I haven't
2 talked to her since then, really. So could I talk to her
3 first maybe because like --

4 MR. DYSON: Yeah. I can wait till
5 tomorrow if you want to give her a call tonight.

6 MS. QAYUMI: Yeah. I think that would
7 be good.

8 MR. DYSON: Okay.

9 MS. QAYUMI: Like, are finals over yet
10 at Duke or no?

11 MR. DYSON: Not yet. They will be
12 Saturday.

13 MS. QAYUMI: Okay, yeah. Yeah. How
14 about -- can you wait until next Monday?

15 MR. DYSON: Well, I don't know if she'll
16 still be in town on Monday.

17 MS. QAYUMI: Oh. Oh, you need to talk
18 to her in person to see the photo? I got it.

19 MR. DYSON: Yeah. I prefer to talk to
20 people in person.

21 MS. QAYUMI: Okay.

22 MR. DYSON: I can be really discreet
23 about it and tell her not to talk about it.

24 MS. QAYUMI: Yeah. That would be
25 helpful. Like, okay, actually, yeah. If you just called

1 her and said -- like, what would you be saying?

2 MR. DYSON: I'd just say, Look, can we
3 talk in person? And then say, Look, I understand you saw
4 something involving your roommate on Facebook last year;
5 can you tell me about what you saw.

6 MS. QAYUMI: And then she would just
7 say, like, the picture, is that all?

8 MR. DYSON: Yeah. Most people will know
9 what I'm talking about.

10 MS. QAYUMI: Okay, yeah. I think you
11 could, like, call her, like, tomorrow or the next day.

12 MR. DYSON: Yeah.

13 MS. QAYUMI: And I'll just give her a
14 heads up because I don't want it to, like, affect her
15 finals --

16 MR. DYSON: Yeah.

17 MS. QAYUMI: -- if that makes sense.

18 MR. DYSON: Yeah. That makes perfect
19 sense.

20 MS. QAYUMI: Yeah, so absolutely. So
21 let me -- let me call her and ask her when her last final
22 is, and then I'll get back to you -- like, I'll just send
23 you an email, like, her last final is this day, so you
24 know.

25 MR. DYSON: All right.

1 MS. QAYUMI: Okay.

2 MR. DYSON: So go on.

3 MS. QAYUMI: So do -- I don't really
4 know what else I'm supposed to do about this. Do I call
5 the school?

6 MR. DYSON: No. I can do that, and then
7 they can be in touch with you. And they'll give you a
8 call if you want to do it that way.

9 MS. QAYUMI: Okay. I mean, like, my
10 main thing is, like, I don't have a record of being
11 roofied. I've only been heard that I was, and so it's
12 like I don't -- I don't know. I don't -- like, is that
13 legitimate?

14 MR. DYSON: Yeah. You're not sure of
15 what's going to happen next. And --

16 MS. QAYUMI: Yeah. And I don't want to,
17 like -- I don't want to stir up anything so that when I
18 go back to campus, like, people are, like, oh, my God,
19 Ariana, did this happen to you? Like, how are you
20 feeling?

21 Like, I mean I can handle it now because
22 before I couldn't. When someone said that to me, I would
23 just, like, freak out and run away. But, like, I don't
24 want to have to [inaudible]. Yeah. I asked by some
25 girls. They were, like, I heard this at whatever. And I

1 was just, like, Shit, shit. So like last semester, I kid
2 you not -- I would stay in my room every single night and
3 study, flash, like, not being able to focus because --
4 like, my roommate would even sometimes walk in and be,
5 like, Hey, Ariana, I just went out with some girls. I
6 was, like, whatever. I was [inaudible]. And they, like,
7 told me something. They're -- like, they're talking
8 about this or [inaudible]. I'm, like, Oh, my God. But,
9 yeah. And the boys were talking about it too, so that
10 didn't really help.

11 MR. DYSON: Yeah. Yeah. So let me go
12 back over real fast and just make sure I have everything
13 right.

14 So it was the night of the UNC game.
15 And this was Duke playing at Carolina or Carolina playing
16 at Duke?

17 MS. QAYUMI: I don't remember. Sorry.

18 MR. DYSON: Okay. Well, that's okay.
19 And you were in your dorm and that was -- was that
20 Southgate or Randolph?

21 MS. QAYUMI: I was in Southgate.

22 MR. DYSON: You were --

23 MS. QAYUMI: Oh, wait. One more thing.
24 One more thing. Last semester I was walking to the
25 library on East and I went under the tunnel, and someone

1 left a hashtag that they, like -- oh, okay. So people --
2 or later on in last semester, so, like, in August
3 September, someone had referred to me as, like -- like
4 Randolph girl. Some people would do that -- they'd call
5 me Randolph girl in Southgate because I came from
6 Randolph. So I was walking under the bridge one day --
7 it was back in December -- and there was a hashtag that
8 said, roofied Randolph.

9 MR. DYSON: Okay.

10 MS. QAYUMI: And, like that was -- that
11 was kind of when I was, like, Oh, my God. Like, it was
12 -- it might have actually been real. Because, like, it
13 just, like, it didn't go away, you know.

14 MR. DYSON: Is that one word or two?
15 The hashtag?

16 MS. QAYUMI: It was, like, roofied, and
17 then just ran directly into Randolph. And I have a
18 picture of it. I took a picture of it.

19 MR. DYSON: Can I get you to email that
20 to me?

21 MS. QAYUMI: Yeah, I will.

22 MR. DYSON: Okay.

23 MS. QAYUMI: And that was kind of when I
24 was, like -- like maybe it, like, it did happen, you
25 know. Like, maybe I was actually roofied. [inaudible]

1 MR. DYSON: Okay. All right. So you
2 were in Southgate down in -- this was in the Commons
3 Room?

4 MS. QAYUMI: Yes. [inaudible].

5 MR. DYSON: On the first floor? The
6 first floor of Southgate --

7 MS. QAYUMI: Yes.

8 MR. DYSON: -- in the Commons Room
9 watching the UNC game. You were in your pajamas. Other
10 people were drinking, but you weren't drinking. But
11 you'd been having some food, and you had something to
12 drink that was nonalcoholic.

13 MS. QAYUMI: Yes. Oh. I had -- I had a
14 hamburger. I just remembered. I had a hamburger from In
15 and Out because I gave Colby one.

16 MR. DYSON: In and Out Hamburgers?

17 MS. QAYUMI: Well, not In and Out.
18 What's the place at --

19 MR. DYSON: Cookout?

20 MS. QAYUMI: Cookout. Cookout. I had
21 gone to Cookout, and I had three hamburgers.

22 MR. DYSON: Okay.

23 MS. QAYUMI: Buying a hamburger. I
24 remember that because he was at [inaudible].

25 MR. DYSON: And so then you -- you had

1 the cocoa or the milk, and then you started feeling funny
2 or something was happening?

3 MS. QAYUMI: Yeah. Like, I left the
4 room for, like, 10 minutes. I came back. Like,
5 everything was, like, fine, whatever. I was just, like,
6 watching the game. And then, you know, I kept drinking
7 my drink. I had finished it. And I'd say, like, within
8 about, like, an hour or so -- so the game wasn't over
9 yet. I mean it was, like, we were -- we were down like
10 five. And then, like, I remember just getting, like,
11 really, like, woozy. And I remember just like I don't
12 know if I, like, fell asleep or what, but I remember not,
13 like, remembering anything. Like, I just don't really
14 remember.

15 I just remember, like, laying back and
16 like watching the game, and I remember everyone was,
17 like, Oh, UNC won; like, we're going to go to UNC. And I
18 was, like, Okay, guys. But I don't remember.

19 But I do remember somehow, like,
20 whatever -- the next time [inaudible], I did leave --
21 like, I left my dorm or was taken. I don't know. But I
22 remember then being at another person's house, like, at a
23 frat house or something. I remember being somewhere
24 else. And then I remember --

25 MR. DYSON: Can you describe this place?

1 MS. QAYUMI: I don't remember that. I
2 just remember there was a couch. There was, like,
3 another TV because the UNC, like, celebration was then
4 on, and we were, like, Oh. Like, there's going to be,
5 like, a lot of stuff over at UNC tonight. And they were,
6 like, Oh, do you want to come too?

7 And I was, like, No. Like, I just want
8 to go home. Like, I'm really tired.

9 MR. DYSON: And do you remember if you
10 walked off campus or you were driven off campus?

11 MS. QAYUMI: I remember being driven.

12 MR. DYSON: Driven off campus.

13 MS. QAYUMI: And I remember the seats
14 were leather.

15 MR. DYSON: Okay. And do you remember
16 how long your car ride was?

17 MS. QAYUMI: I'm sorry. Sorry. My Mom
18 was talking. What? What did you say, Detective Dyson?

19 MR. DYSON: Do you remember how long the
20 car ride was?

21 MS. QAYUMI: Maybe, like, 10 minutes.

22 MR. DYSON: Okay.

23 MS. QAYUMI: It wasn't far. I don't
24 remember it being far.

25 MR. DYSON: Okay. And you got to this

1 other location. Was it clean? Was it dingy? Was it
2 clearly a frat house?

3 MS. QAYUMI: I remember it being clean.
4 Like, I think it was a residence. I don't think it was
5 in a frat house. But --

6 MR. DYSON: Do you remember anything
7 about the architecture or anything?

8 MS. QAYUMI: No.

9 MR. DYSON: Okay.

10 MS. QAYUMI: I remember it had wood
11 floors actually. I do remember that -- and sliding
12 doors. And I remember the couch area, but that's really
13 the only thing that I can distinctively remember is the
14 couch area.

15 MR. DYSON: Okay. What was the couch
16 area like?

17 MS. QAYUMI: I remember, like, the couch
18 was like the -- like a dark greenish color. And it was
19 like soft feeling. And it, like -- it only had two
20 cushions, but I could see easily four. It was, like, in
21 a really small room that had a lot of, like, cultural
22 artifacts.

23 MR. DYSON: What do you mean by,
24 cultural artifacts? Like?

25 MS. QAYUMI: Like, it was like someone

1 had traveled somewhere. It was really cool. And I
2 remember I was really interested in it, but that's all.

3 MR. DYSON: Okay. And then while you're
4 at this off-campus location, you end up having sex with
5 two or three of the guys?

6 MS. QAYUMI: Yeah. I believe I had sex
7 with two there.

8 MR. DYSON: Okay. How long did this go
9 on for?

10 MS. QAYUMI: I don't -- I don't remember
11 that.

12 MR. DYSON: Okay. Which two guys were
13 the --

14 MS. QAYUMI: I don't remember -- I
15 honestly don't remember fighting at this location. The
16 part I remember as being, like, a fight was when I went
17 back to my dorm. And that was when, like -- like
18 multiple people, like, were with me.

19 MR. DYSON: So the fight between the
20 guys happened once you got back to a dorm?

21 MS. QAYUMI: Yeah. And that's when I
22 was, like, saying, no, and like all that bad stuff that
23 you heard.

24 MR. DYSON: Okay.

25 MS. QAYUMI: I don't remember what the

1 video was or whatever. But I remember -- I remember
2 people, like, punching people and, like, there was --
3 that's like the stuff that I remember kind of foggily,
4 but other people had told me that there had been like --
5 they saw guys take me into a room, and I was, like, No.
6 I -- you know, like, leave me alone. That happened back
7 at the dorm.

8 So the one that was in the residence, I
9 don't know if that was technically a rape or what. So --
10 but the one at the dorm definitely was.

11 MR. DYSON: So there was more sex once
12 you got back to a dorm?

13 MS. QAYUMI: Yeah.

14 MR. DYSON: Do you remember any details
15 about that?

16 MS. QAYUMI: I remember it happened on,
17 like, the second floor, and I remember that there was a
18 lot of pain and screaming and that's about it. I
19 remember it being really dirty, and, like, people had
20 knocked over trash cans.

21 MR. DYSON: Okay. And this was on the
22 second floor of what dorm?

23 MS. QAYUMI: Southgate.

24 MR. DYSON: Second floor of Southgate.
25 And do you remember -- you don't happen to remember whose

1 room it was, do you?

2 MS. QAYUMI: No, I don't.

3 MR. DYSON: Do you remember who the boys
4 involved were?

5 MS. QAYUMI: The ones I listed formerly.

6 MR. DYSON: So was it all three?

7 MS. QAYUMI: Yeah. And then I think
8 there -- there might have been one other boy involved or
9 two other boys. One's name was, like, Sebastian, and
10 then, like, Jeffrey Houtz [phonetic]. But I don't know
11 for sure, so I didn't mention them at first. And I was,
12 like, putting them in, like, a different category because
13 I don't know if they, like, did anything.

14 MR. DYSON: What was Jeffrey's last
15 name? Kutz?

16 MS. QAYUMI: Houtz. It's, like,
17 H-o-u-t-z.

18 MR. DYSON: Okay. And you don't know
19 how they were involved?

20 MS. QAYUMI: Yeah, I don't -- I don't
21 recall, but I remember -- I remember Jeff was like there,
22 and he was -- he was involved, but, like, I don't
23 remember. He just doesn't appear in my nightmares. So,
24 like, I don't know if that actually happened, and
25 [inaudible] but other people said that he was involved.

1 Jimmy -- like, they told me that, and I was, like, Okay.
2 But, yeah.

3 MR. DYSON: Okay. And so you're in this
4 room. It's painful. There is screaming going on.

5 MS. QAYUMI: I don't know if there was
6 screaming. I think it was more explicit [phonetic].

7 MR. DYSON: Okay. Expletives.

8 MS. QAYUMI: And I was saying -- I was
9 saying, no, though. I remember that. And I would say,
10 like, the F word. I remember saying, like, I called him
11 a bitch, I believe. I remember being really angry and
12 [inaudible] and vulgar and disgust, yeah. Yeah.

13 MR. DYSON: So what happened once all
14 the guys finished in the dorm room?

15 MS. QAYUMI: I have no memory. But I
16 remember being -- waking in my room.

17 MR. DYSON: Okay.

18 MS. QAYUMI: So I just -- I remember,
19 like -- like I do remember, like, kind of waking up-ish
20 or whatever, like, coming out of something. And -- but
21 there was, like, only one guy there then, and I was,
22 like, uhhhhh. And then I remember, like, nothing. And
23 then I remember, like, his appearing in my room.

24 MR. DYSON: Okay. So some -- you wake
25 up, and there was a guy in the room, or there wasn't a

1 guy in the room?

2 MS. QAYUMI: There was.

3 MR. DYSON: There -- so there was a guy
4 in your room when you woke up?

5 MS. QAYUMI: Oh, no, no, no, not my
6 room. In, like, the room that it happened in.

7 MR. DYSON: Oh, okay.

8 MS. QAYUMI: Like, there had been
9 multiple ones, and then, like, I remember suddenly there
10 was just, like, one, and then I remember going back up to
11 my room. Or not -- I don't remember going -- sorry. I
12 don't remember going back up to my room, but I remember
13 waking in my room, so I assumed that I went back up to my
14 room. But I don't know how I got there.

15 MR. DYSON: Okay. You don't know how
16 you got back to your room?

17 MS. QAYUMI: Huh-uh (no).

18 MR. DYSON: And -- okay.

19 MS. QAYUMI: Those are, like, the parts
20 I'm still working on with my therapy, but we'll see.

21 MR. DYSON: Okay. So what happened the
22 next day? You wake up and --

23 MS. QAYUMI: I woke --

24 MR. DYSON: -- what did you do?

25 MS. QAYUMI: Well, I kind of was, like,

1 in shock at first. And then I just went and showered for
2 a really long time. Then I got dressed, and I went to
3 the Student Health Center.

4 MR. DYSON: Okay.

5 MS. QAYUMI: And I asked them about,
6 like, off campus people to see about sexual abuse. And
7 then I also asked them for, like, a free sample of the
8 pregnancy test and if they did STD testing and if they
9 give, like, checking [inaudible] for, like, problems, and
10 they said yes, but in order to do the latter too, that I
11 would have to, like, sign up and make an appointment and
12 put my name on it.

13 And I just went, like, okay, like,
14 thanks, and I, like, left. And then --

15 MR. DYSON: So you left without seeing
16 anybody?

17 MS. QAYUMI: Yeah.

18 MR. DYSON: Okay.

19 MS. QAYUMI: And then I went and I
20 called Sara Brice [phonetic], and I started seeing her.

21 MR. DYSON: So you got Sara Brice's name
22 from the folks at Student Health?

23 MS. QAYUMI: Yeah.

24 MR. DYSON: Okay. But you didn't
25 actually speak to a nurse or a doctor?

1 MS. QAYUMI: No.

2 MR. DYSON: Okay. All right. So after
3 you left Student Health, where did you go?

4 MS. QAYUMI: Back to my room.

5 MR. DYSON: Back to your room. Did you
6 tell anybody?

7 MS. QAYUMI: No. I just sat in my room
8 for, like, a week, kind of trying to think things
9 through. I would write stuff down, like, trying to
10 remember what happened. Like I literally didn't talk to
11 anyone, like I didn't call my parents, and I, like,
12 refused all calls from people. Yeah. And I was just,
13 like, completely alone, trying to remember, like, what
14 happened, and I just couldn't flash the things that,
15 like, I thought I remembered. It seemed like they
16 couldn't possibly be true. And so, yeah. That was
17 about, like, a week.

18 And then I would, like, anxiously, like
19 eat or, like, clean myself a lot in the shower. And I
20 would, like, try to do work, and I wouldn't be able to
21 focus because my brain would just keep going back to the
22 other stuff. Or I would like -- I would like see
23 something, and it would make me kind of remember, like,
24 oh, maybe this happened or I was, like, I don't know.
25 And then I'd be, like, Okay. Time to focus again. But

1 that would happen, you know, like, multiple times in an
2 hour.

3 And then at the end of spring break, I
4 hadn't come to a conclusion about what had happened to
5 me, so I just decided that, like, I had done -- like, I
6 had probably drank, that I probably, like, consented, and
7 I, like, did all that. Like, I just decided that, and I
8 was, like, Okay, I did this; I'm just going to own up to
9 it and, like, yeah, and then move on. Like, I made a
10 mistake. It's basically what I thought I did.

11 And so I just said that, but that wasn't
12 true, and I kept having, like, weird nightmares. And I
13 would just tell myself they weren't true, stuff like
14 that. And that was all of March. It was really
15 horrible. And, yeah, I kept it to myself basically.

16 And I talked to my -- oh. The thing I
17 was talking to my psychiatrist about -- I didn't tell her
18 whatever happened. I told her that, like, I was having
19 trouble focusing, that I was, like, kind of remembering
20 weird things I didn't know if they even happened.

21 She was, like, What kind of things, you
22 know? And I'd be, like, Oh. Just like -- I don't know
23 -- mixed up with guys. She was, like, Okay.

24 And, you know, like, I wouldn't really
25 talk about it much. But I told her I was having trouble

1 focusing. So she was helping me with, like, how to focus
2 and, like, get my mind off of dwelling on things that I
3 didn't want to dwell on.

4 But I didn't tell her what happened to
5 me until, like, early June.

6 MR. DYSON: Okay. So I had contacted
7 you. We reached out to you at the end of April and
8 talked to you -- you know, we gave you a ride from the
9 West bus stop to your dorm and talked about it. And you
10 said that --

11 MS. QAYUMI: I said that, like, I had
12 drank and that, like -- what did I say? So that, yeah, I
13 think I drank and, like, that I must have just, like,
14 blacked out and, like, whatever. The next morning I
15 woke up and I was fine. I just, like, completely lied to
16 you guys about everything because I just didn't know what
17 to say.

18 MR. DYSON: Okay.

19 MS. QAYUMI: And also, I didn't mention
20 it to you guys, but, like, I was also under stress
21 because, like, I was going back home the next day, and,
22 like, I didn't know what the hell to tell my family or,
23 like, my friends. And I just, like, couldn't deal with
24 it, that kind of thing.

25 So I guess [inaudible], and now my

1 therapist says I should tell you guys that I just
2 defaulted until, like, an automatic like lie, and I would
3 just, like, fabricate. That's because I couldn't deal
4 with what actually happened in order to, like, still make
5 myself feel empowered. And, like, I did that.

6 MR. DYSON: Okay.

7 MS. QAYUMI: Yeah. What do you remember
8 me saying to you about [inaudible]?

9 MR. DYSON: You said that you'd had some
10 stuff to drink and it was your first time drinking
11 alcohol, you had too much, and you seemed very
12 unconcerned about what happened. So --

13 MS. QAYUMI: Oh, okay. Yeah.

14 MR. DYSON: So --

15 MS. QAYUMI: But, I mean, like, I would
16 say that that's true to, like, what I believe happened
17 the first time. But now, like, going through everything,
18 I would say that that's true all the way to, like, the
19 lie that I would have said.

20 MR. DYSON: Okay. So later on in July,
21 we met with you up in my conference room. And at that
22 point, we were kind of telling you that the incident --
23 the University non-police side had been notified of the
24 incident and people would be contacting you.

25 And how did that -- you said Sheila

1 Broderick had reached out to you. Did anybody else reach
2 out to you?

3 MS. QAYUMI: Not at that time, no. Only
4 Sheila. And then in the summer, no one really contacted
5 me other than you. And then in August is when Steven
6 Bryan [phonetic] -- I think his name is -- he contacted
7 me from Student Affairs because I talked to my dean about
8 what had happened, and I told her that, like, I'm having
9 trouble dealing with it, but, like, I don't know if I can
10 -- like, I don't want to do anything about it because
11 I'll be -- I'll get, like, ostracized at the school
12 because [inaudible].

13 MR. DYSON: Now, why were you afraid of
14 ostracization? Who would ostracize you?

15 MS. QAYUMI: The entire frat.

16 MR. DYSON: Okay. So Delta Sig?

17 MS. QAYUMI: And, like, I -- I had -- I
18 had -- yeah. Like, I had respected that frat before.
19 And, like, I don't anymore. But they were the business
20 frat, and I like business. I like Econ. And they had a
21 lot of Econ majors and stuff.

22 So that would have been -- you know,
23 like, for me, I thought that, like, going through and
24 telling the truth about what had happened would cause,
25 like, everyone to just, like -- I don't know -- like, not

1 -- like, not want to associate with me again.

2 MR. DYSON: Yeah.

3 MS. QAYUMI: Make me feel like I have a
4 stigma attached to me. It was like that girl that --
5 whatever.

6 MR. DYSON: Yeah.

7 MS. QAYUMI: I don't even know what to
8 say, but, yeah. That's at the time how I felt.

9 And so then -- actually I messed up the
10 time line, sorry. Amy Powell talked to me with Dean
11 Taylor before Steven contacted me.

12 So he contacted me, like, the day before
13 school started. And then from that point -- and I
14 emailed him back. I said, like, thank you for the email.
15 Like, I don't want to arrange time to meet with you
16 because I can't talk about this right now. It's too -- I
17 don't remember exactly what I said. I would have to go
18 pull the email.

19 But I would have to say -- or I said
20 that -- I said that I couldn't focus when I talk about
21 it. And then I'm starting a new semester. I really
22 can't do it this semester, but in the future, I will,
23 like, in the next year or something like that, I will
24 take time off to deal with everything that happened. And
25 at that time, I will, like, email him, and we can arrange

1 time to talk when I'm back on campus.

2 MR. DYSON: Okay.

3 MS. QAYUMI: And that was -- and he
4 said, Okay, thank you. Like, we'll be in touch.

5 MR. DYSON: Okay.

6 MS. QAYUMI: And then that was the last
7 time I talked about it to anyone at the University other
8 than, like, Sheila Broderick, which I just talked to her
9 kind of about, like, empowerment, not necessarily, like,
10 what happened.

11 And she was really supportive because,
12 like, Dean Taylor told her that something happened to me.
13 So yeah.

14 MR. DYSON: Have you had any more calls
15 to Sheila?

16 MS. QAYUMI: No. The last time I saw
17 her was, like, last semester, in, like, November or
18 December. But I did go to, like, [inaudible] Camp. That
19 was fun. But she didn't know necessarily that I had been
20 -- no, actually, yeah. Didn't she know?

21 Oh, my mom says that she went to visit
22 Sheila actually, and she didn't know that I was raped.
23 So -- but Dean Taylor did contact her and said that,
24 like, Ariana needs your support, like, something
25 happened, blah, blah, blah. So I started to see her

1 just, like, to talk and I did my homework in the Center,
2 and I felt really safe there.

3 MR. DYSON: Excellent. So also during
4 the July meeting you had mentioned that the guys had
5 actually come up and talked to you before we met up with
6 you at the West Campus bus stop. And they told you, Hey,
7 don't worry about the video, don't worry about anything.
8 And that they had said some other things to you. What --
9 can you tell me more about that incident?

10 MS. QAYUMI: Yeah. So that was the time
11 I was telling you that it wasn't just the three boys,
12 like, there were more people from their frat that came up
13 to me. And they -- okay. So they said, like -- like,
14 okay.

15 MR. DYSON: And this was all right
16 before we talked to you that day, right?

17 MS. QAYUMI: Yes. Yes. And also later
18 in the day because that -- there was Eldock [phonetic].
19 And on Eldock, they, like, followed me around. They
20 were, like, Why aren't you going to go to parties?

21 Like, because I just want to, like, be
22 in my room and be alone. Please leave me alone.

23 And they are, like, Well, are you going
24 to be with anyone? I'm like, No. I want to be alone.
25 So leave me alone. But that was later on.

1 Before I talked to you guys, okay -- so
2 they came -- first I got, like, two phone calls, and it
3 was just, like, Hey, you might be notified by, like, a
4 cop or something. Like, don't worry about it. It's not
5 that big of a deal. Just, like, say, you don't know what
6 happened.

7 And I was, like, what? I mean, that was
8 odd. It was, like, Why are you contacting me? Because I
9 haven't talked to them, whatever, since the thing
10 happened. Like, I would avoid them, and I just really,
11 you know, like, would exclude myself from everything on
12 campus.

13 And then, you know, we hung up, and I
14 was, like, walking, and I thought -- I took a call from
15 you guys, like, almost right after saying, like, Hey,
16 we'd like to meet with you. And I was, like -- and I
17 remember running through my mind was, Should I say yes or
18 no? If I say yes, like, what will happen? I got to
19 thinking, and I'm, like, yeah, I should say yes. So I
20 said yes to you guys.

21 And then as I'm walking, like, I hung
22 up, and I ran into, like, a big group of Di Sig guys.
23 And they were just, like, Oh, like, Ariana, like, I'm so
24 glad we found you. I'm, like, why?

25 And they're, like, Oh, well, like, did

1 you hear what happened? And, I'm, like, No.

2 And they're, like, Well, like, something
3 happened on East Campus, and, like, you just need to,
4 like, stay on West Campus right now. So, like, we can go
5 to lunch. Do you want to go to lunch? And, I'm, like,
6 What? And they're, like, Yeah.

7 Well, anyway -- and I'm, like, all
8 right. I just got a call actually from Bryan and some
9 other people, yeah. I can't actually do that right now.

10 And then they would say -- they said,
11 like -- I don't want to lie to you, so just hold on one
12 second. I want to make sure that what I say isn't wrong.

13 Okay. So I remember Colby said, like,
14 yeah, we did something, like, really stupid, and, like,
15 apparently there are cops here right now, and Bryan is,
16 like, handcuffed -- like he got thrown up against the
17 wall. And, like, I don't know. And he was, like, but --
18 yeah. And, like, they were just kind of watching my
19 expression. And then -- and then I was just, like, Okay.

20 And Colby was, like, But, yeah. His
21 expression changed from, like, being chilled to, like,
22 being mildly concerned. And he said, You know, like,
23 yeah. Like, if they, like, call you, like, please don't
24 say that we did anything wrong because we don't want to
25 go to jail for 25 years. And, like, that's what they're

1 going to do to us.

2 And I'm, like, what do you mean, did
3 anything wrong? And he was, like, Well, like, you know,
4 like, with the stuff. And I was just, like, Um, what?
5 You know, I was just, like, really confused.

6 They're like, Oh, whatever; it's fine.
7 Like, if they call you, just say, like, you don't know
8 what happened, that you drank, like, a lot; it was your
9 first time drinking; you blacked out.

10 And I was, like, isn't that what
11 happened? And they were just, like -- and they were,
12 like -- I don't know. It was just, like, they kind of
13 looked at each other and, like, every one of the kids
14 kind of like smiled. And I was just, like, Uh, and then
15 they were, like, yeah, that's what happened.

16 And I'm, like, Okay. Like, whatever, I
17 have to go, bye. And I went and took a final, and then I
18 met with you guys.

19 MR. DYSON: Okay.

20 MS. QAYUMI: And then after I met with
21 you guys was when they kind of started following me
22 around. Like, what did you tell them? Like are they
23 going to throw us in jail? Like, Oh, my God. You did
24 tell them, like, you had just drank a lot, right?

25 And I was, like, why does that matter?

1 Like, what? Like, I just still didn't understand.

2 But it makes more sense now being like
3 if they did what they're reporting they did, then it
4 makes sense why they said all that -- those things.

5 MR. DYSON: Yeah. Okay.

6 MS. QAYUMI: And I remember, like, one
7 of them brought me, like, a present that day. I thought
8 that was kind of weird [inaudible] random.

9 MR. DYSON: What did he get you?

10 MS. QAYUMI: It was, like, flowers. I
11 was, like, Okay. He was, like -- yeah. He was, like,
12 yeah. Like, good luck on finals. And I'm, like, Okay.
13 Like, I never talked to you.

14 MR. DYSON: Who brought you the flowers?

15 MS. QAYUMI: He wasn't involved in it.

16 MR. DYSON: That's okay.

17 MS. QAYUMI: Is it? Will he get called
18 about it?

19 MR. DYSON: Well, you know, I just want
20 to know why he suddenly showed up and gave you flowers.

21 MS. QAYUMI: It was, like, after I knew
22 Bryan. His name is Demetri. I don't know his last name.

23 MR. DYSON: And is he in Delta Sig too?

24 MS. QAYUMI: I think so.

25 MR. DYSON: Okay. And then -- yeah. So

1 that was the last day of classes, and the summer
2 happened.

3 So we were talking earlier about what
4 you wanted to do with this. And I guess now is probably
5 a good time to come back to that.

6 What would you like to see done? I'll
7 fill out a police report and type it up. But in terms of
8 next steps, what are your initial thoughts about this?

9 MS. QAYUMI: I mean, for the purpose,
10 like coming into this was -- it's kind of the end part of
11 my therapy for me to do this and for me to, like, you
12 know, admit that it happened, and also, like, I guess to
13 feel like I'm doing the right thing of, like, telling the
14 University it happened because I've heard that it
15 possibly happened to other girls, and that's a good
16 policy that Duke should keep having, like a policy that
17 [inaudible].

18 MR. DYSON: What's that? Your call
19 faded.

20 MS. QAYUMI: Oh. I was saying that I
21 don't think that Duke should allow those types of things
22 to happen on its watch, so I feel like being that it
23 happened to me and I felt like every -- like, the horrors
24 of going through it and how it affected my schooling and
25 all those things, I don't think that anyone should have

1 to deal with that again.

2 So that's kind of, like, why I called to
3 report this because I do -- I want the University to
4 know, and I want them to know that it is a problem and
5 that they need to, like, give an Ethics class to people
6 or something. Like, I don't -- I don't know. Just like
7 the boys -- let them know it's not okay to do that.
8 Because they don't understand, like, how they affected my
9 life at all. Because I haven't talked about it. So it
10 was, like, Hey, it's kind of embarrassing; I don't want
11 to admit it. Like, I don't want to say all the stuff I
12 went through.

13 But, like, as for, like -- oh, and then
14 also, like, my mom wanted me to -- I would say, like, the
15 third reason is kind of because in order for my parents
16 to even let me go back to Duke, they wanted me to make
17 this report and, like, you know, have -- make sure I'll
18 be safe.

19 And then like my part of it -- which I'm
20 kind of confused, like, why -- I don't really know where
21 I want to go with it necessarily because I don't -- I
22 don't want to ruin their lives how they ruined mine -- I
23 guess is what I'm saying. Like, I did it first. I admit
24 that. But, like, I went through therapy and, you know,
25 like, I forgive them and stuff. They were rotten, but,

1 like, you know, they made a mistake. People make
2 mistakes and stuff like that, whatever.

3 But they do need -- if they're doing it
4 more to other people, like, that's not okay with me. And
5 I do think that they need to be -- that they need to
6 learn that it's something they shouldn't do. And if
7 someone does it in the future, they shouldn't be people
8 that say, That's a good thing. They should, like,
9 confront it.

10 And so, you know, I think that some sort
11 of punishment is necessary, but I don't want it to be a
12 punishment that comes back to me and makes me feel more
13 stressed out. Does that make sense?

14 And that's where, like, I feel there is
15 real problems. Because it's like, yeah, I'd rather them
16 be, like, punishment of not being able to like approach
17 me at school or something like that. But, like, then the
18 only thing that I can think of is that they would tell
19 people, like, Yeah, actually, okay, guys, we can't, like,
20 talk about her right now. Like, we need to leave.

21 Or, like, they would complain to their
22 frat, like, Oh, my God. This girl filed, like, this
23 against me, blah, blah, blah. And then people would be,
24 like, Oh, well, like, was it true? And then he'd be --
25 you know, be like oh, well -- you know, and it would just

1 like start rumors everywhere, and I don't want that.

2 Like, I want it to be a quiet punishment
3 so that they know so that I know and like that's it, that
4 I can go on and do my schooling because my mom said so
5 they can't kill me.

6 MR. DYSON: Uh-huh.

7 MS. QAYUMI: And so that they can go on
8 and do something in their lives but know they made a
9 choice that was bad and it affected me really badly and
10 that they feel bad about that kind of and they know that
11 it's wrong. They shouldn't ever do it to another girl.

12 And I don't know what -- I don't know
13 what the punishment like that is, but --

14 MR. DYSON: So -- and that's -- you
15 know, so there is a couple of options. I guess, you
16 know, there was a video made, right?

17 MS. QAYUMI: Yes, I know that.

18 MR. DYSON: Okay. Did you ever agree to
19 let them make that video?

20 MS. QAYUMI: No, never.

21 MR. DYSON: Or would you have ever
22 agreed to let them make such a video?

23 MS. QAYUMI: No.

24 MR. DYSON: Okay. So there's a charge
25 in North Carolina called Secret Peeping. And when you

1 secretly record somebody in a location where they would
2 expect privacy, there is a criminal charge for that.

3 And we have charged Duke students before
4 -- at least one Duke student before -- with violating
5 this when he set up a secret camera in his room and
6 filmed a sexual encounter with a female student.

7 So on the criminal side, you know, rape
8 is a very serious charge.

9 MS. QAYUMI: Yes.

10 MR. DYSON: And I'll be completely
11 honest with you right now. Proving a rape at this point
12 is going to be next to impossible, but I do have a video.
13 And you don't need to make a decision right now. I'm
14 just telling you that this is an option available to you.
15 Secretly recording this is a violation of the Secret
16 Peeping law in North Carolina. It's a low level felony.
17 It typically results in probation. And that's something
18 that I can prove happened is because --

19 MS. QAYUMI: Okay.

20 MR. DYSON: -- I do have this video. So
21 keep that in the back of your mind that there is still a
22 criminal possibility that's open.

23 From the student conduct side, you know,
24 my report is going to go over to Student Conduct. And
25 they're going to read that, and they may call you. They

1 may not. If you want punishment or some sort of system
2 through the Office of Student Conduct, give Dean Bryan a
3 call, shoot him an email, and talk about his process. I
4 really don't feel comfortable talking about his process
5 because that's -- he's a different element of Duke. And
6 I think that his -- what his office does, you really need
7 to talk to him directly. I don't feel comfortable
8 talking about that because he's the expert, and I'm not.

9 MS. QAYUMI: Okay.

10 MR. DYSON: So he has options available
11 through there.

12 And then you also mentioned that you've
13 already hired an attorney, right?

14 MS. QAYUMI: We didn't hire him. We
15 just spoke with him a few times, and he said that before
16 we, like, hire him, he would want me to make a police
17 report.

18 MR. DYSON: Okay. And then some women
19 choose to hire an attorney and go after people in civil
20 court and sue them. I'm not making a judgment on that
21 one way or another. I'm just saying that some people do
22 that.

23 MS. QAYUMI: Yeah.

24 MR. DYSON: And if you want to come
25 back, when you talk to Dean Bryan, you can say, Look,

1 I'm planning on returning in the fall. And I would like
2 to have some sort of no-contact order in place where he's
3 not allowed to contact me -- any of the boys involved are
4 not allowed to contact me.

5 Now, the flip side of that is you're
6 likely going to get a similar one where you are not
7 allowed to contact them either. Now, that shouldn't be a
8 problem because it sounds like you don't want to contact
9 them.

10 MS. QAYUMI: Yeah.

11 MR. DYSON: But generally if they issue
12 one, it's for both parties. Neither one of you is to
13 have contact with the other. Just because there is some
14 women who go out and try and inflame the situation, and
15 that's not what we want.

16 MS. QAYUMI: Yeah, I know. Okay.

17 MR. DYSON: So what I'm going to do next
18 is I'm going to type this up, and I'll file the report.
19 Student Conduct will be notified.

20 Are you planning on enrolling for the
21 fall semester?

22 MS. QAYUMI: Yes, I am.

23 MR. DYSON: Okay. And so you've got all
24 that paperwork cleared through your Dean's Office and --

25 MS. QAYUMI: Well, actually, I'm working

1 -- I'm working on my personal statement right now, and
2 I'm meeting with my therapist this Friday to, like,
3 confirm everything. And then we're going to send it to
4 Dean Taylor on June 1st is when the bracket opens.

5 MR. DYSON: Okay. So once everything
6 gets finalized and they clear it, you're going to need to
7 call Dean Bryan's office, Office of Student Conduct, and
8 say, Hey, look, these are some things I want to talk to
9 -- and you can call him next week if you want and start
10 talking to him then in advance.

11 MS. QAYUMI: Okay.

12 MR. DYSON: But, you know, I'm going to
13 type up my report. He's going to get some details about
14 it, just pretty much that you and I spoke and that you're
15 officially filing a police report. And that --

16 MS. QAYUMI: Okay.

17 MR. DYSON: Think about it, and think
18 some more about what you want to do and talk to him.

19 MS. QAYUMI: Well, I mean, actually, I
20 think I -- I think after hearing what you said, I kind of
21 know that I would like to file a criminal report
22 regarding the secret peeping.

23 MR. DYSON: Okay.

24 MS. QAYUMI: Because, I mean, I agree
25 with you. I don't think that we could even get them on

1 charges of rape because I waited so long, and the story
2 is going to be -- I'm foggy about it. But I do want them
3 to know that they did something wrong, and I think that
4 the fact that if they are punished for the other thing
5 they did wrong, it would make them remember that they
6 also did the other thing.

7 MR. DYSON: Yeah. Well --

8 MA. QAYUMI: And they just won't talk
9 about it. You know, they'll be humbled by it. They'll
10 think about it, and that's okay. I don't want them to be
11 humiliated on Duke's campus. But, like, I think that the
12 charge that you said would allow them to contemplate kind
13 of like what their values are and stuff like that.

14 MR. DYSON: Okay. Well, let me sit down
15 next week and talk to the district attorney who handles
16 sex crimes and go over what's happened so far. And for
17 secret peeping, for sex crimes, we typically run it past
18 an assistant district attorney before we charge anybody.
19 So nothing is going to happen anytime soon. So I'm going
20 to sit down with her next week if I can get an
21 appointment next week.

22 MS. QAYUMI: Okay.

23 MR. DYSON: And we'll talk over the
24 case, see what she has to say.

25 In the meantime I want you to, you know,

1 reach out to Steven Bryan, start putting your thoughts
2 together, think some more about this, and I'll give you a
3 call back in a week or two, and or I might just -- I've
4 got your email address.

5 MS. QAYUMI: Okay.

6 MR. DYSON: And then we'll talk some
7 more about this in the meantime -- or later on.

8 MS. QAYUMI: Okay.

9 MR. DYSON: Does that sound good?

10 MS. QAYUMI Okay. That sounds good.
11 That sounds good.

12 MR. DYSON: Excellent.

13 MS. QAYUMI: Thank you so much.

14 MR. DYSON: You're welcome.

15 And if anything else pops in your mind
16 or you want to talk, you've got my number, and you've got
17 my email.

18 MS. QAYUMI: Okay. Thank you so much.

19 MR. DYSON: All right. Have a good one.
20 Take care.

21 MS. QAYUMI: You too. Bye, David.

22 MR. DYSON: Bye. Bye.
